Daniel Fry's Concrete calculator

Please input values below:

Width:

Length:

Thickness:

Bag size:

View 2:

Fry's Concrete Calculator - Results

Here are your slab input values:

Width: 14 feet
Length: 14 feet
Thickness: 4 inches
Bag Size: 50

This will require the following:

Total Cubic Yards: 2.42
Total Number of Bags: 176
Estimated cost: \$431.20
